Champion

FOR CHILDREN

Marta Guiliche

District HIV Supervisor, Mozambique

Nominated by: **PATA**

Marta Eugenio Guiliche is a frontline healthcare provider and advocate for children's wellbeing. After completing her general medical technician course in 2018, she dedicated herself to paediatric HIV care, gaining experience at the Pediatric ART Excellence Center in 2020. Marta's advocacy work champions the rights of children, caregivers and adolescents. She employs a person-centred approach, ensuring that everyone she interacts with feels heard, supported, and valued. Beyond the clinic, Marta actively engages with stakeholders through radio discussions and collaborative initiatives. She tackles challenges with innovative solutions, such as organising 'paediatric days' and creating child-friendly environments to enhance the overall healthcare experience for children.
