Champion

FOR CHILDREN

Roda Pfumo

HIV Social Worker, Mozambique

Nominated by: **GNP+**

Roda Pfumo is deeply committed to combatting stigma and discrimination in Mozambique following her HIV diagnosis in 2007. She focuses on supporting mothers and children living with HIV by providing them with information, assistance, and counselling. Roda conducts HIV and AIDS awareness sessions in communities, churches, and schools, offering crucial information and working to dispel myths and misconceptions surrounding HIV. Having recently completed a degree in social work, Roda's academic background and hands-on experience position her as a valuable advocate for children, adolescents, and young mothers in the ongoing fight against HIV-related stigma and discrimination.
